Within the Compensation Fund Tribunal, he has helped ensure the equitable claims management to ensure justice for the cali-

mant. He is an accredited facilitator for the AMA Guides Impairment Evaluation 6th Ed with the HSBX Learning Hub, having been a certified rater for more than 15 years. He is a member of the MDGuidelines Medical Advisory Board.

Technology and Support Team

The Xite Group InfoTech company, developed a world class system, One X-i Advanced to ensure there is a secure online system that is used to deliver services in a timely manner. Developed through partnerships with international brands, the clinical team at XiTe Group ensures the system is kept up to date with all latest medical trends and developments. Combining a Network approach and efficient tech, we have a network of Specialist (Neurosurgeons, Orthopaedic Specialists) that perform assessments as per their field of expertise. We coordinate and manage the process throughout the value chain, culminating in reports consolidation and a standardized whole person impairment and disability quantum.

Multiple Reports Consolidation

Having trouble consolidating reports? It is our forte!

We use latest Tech to efficiently manage the processes while providing you with ongoing support throughout.

Services Costs

Affordable

To get the pricing, please call or contact our office. You can also use the WharsApp Chat Feature.

One would expect this quality service to be expensive, ours is not. We do things right the first time and thus cut costs. Our intervention has previously ensured that cases that aimed at 100% disability claim are settled at less than half of that disability level.

Efficient

We leverage on technology and management efficiency!

Timely

We deliver timeously without fail at all times.

Our Guarantee To You

We have mastered the art of efficient timely service delivery with minimal hassles. We do not need reminders, we keep you updated instead at all times without fail. More over, you will have better sustainability management as you will save, as long as we are your partners.

Pay Less and Get More

On average, we have provided a 25 to 50% savings for most of our clients. Depending on the lead times, we have ensured that reports are delivered on time and comprehensive enough for ease of applications and understanding. We pride ourselves in the provision of these services and go an extra mile to ensure there is satisfaction from all sides. Settle claims at less than what is being bloated out to be, at 50% savings or more.

Have reports within two weeks and keep accessing them always

Many a time, doctors struggle to present reports in a timely manner, let alone in a manner clear enough to read and comprehend. Partnering with us ensures that you do not have to worry about these as all our reports are systems generated, quality assured and delivered timeously. This takes away the headache of following up on reports and ruining relations.

Let us take your Medical Services and manage them for you, letting you practice your competency without hindrance, we will partner with you from the moment of merit determination till apportionment stages where liability is determined.

Have you considered the implication of fair compensation as part of affordable equitable justice?

For a single transaction, let us take care of your Medical Assessments, Reporting and Coordination. We have the skills, knowledge, experience and have created a network over the past 20 years of services delivery.
